

# skill assessment

name \_\_\_\_\_

hour \_\_\_\_\_

## ART I final exam

semester 2

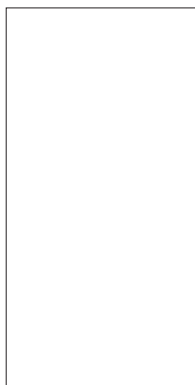

### perspective

1. Use existing receding lines to find the horizon line and a vanishing point; 
2. Use pencil to complete the perspective drawing of both windows using the found vanishing point; 
3. Outline all visible window lines that you added with a finepoint black marker. 

### patterns

3. Complete the pattern for wallpaper using the drawn gridlines for accuracy; 

BONUS:  
extract the repeating element and draw it here:

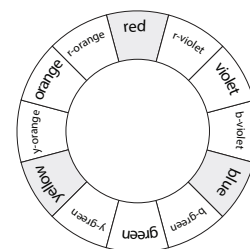

### color

4. Use analogous or complementary color scheme to color the wallpaper design (use different shades of the colors).  
Use markers for coloring; 

5. Write down the color scheme that you use and mark the colors in the color wheel:

color scheme:  
\_\_\_\_\_

### creativity

6. Draw a scene behind the windows. Be creative.
7. Complete in color. Use colored pencils. 

### craftsmanship

- Use ruler to correctly draw the perspective  
Pattern is accurate and perfectly aligned  
Coloring and color blending techniques are applied
